FILM FESTIVAL OF LOVE

June 24–28, 2026
True West Cinemas
Healdsburg, California

**FILM
FESTIVAL
OF LOVE**

Welcome to the inaugural Film Festival of Love!

Over the next few days, we invite you to settle in, explore something unexpected, and feel the love streaming from the screens to the seats.

This program is an exploration of stories that connect us: romance, friendship, family ties, longing, joy, heartbreak, and all the beautiful, complicated ways we find one another – as individuals, families, neighbors, and as a community. At a time that can feel divisive, here is a wacky, love-fueled festival designed to bring people together.

We are filled with gratitude for our members and donors, the filmmakers, our staff and volunteers, and to the North Bay community who make this festival possible.

And of course, thank you to you. We are so happy you're here.

Let's have fun.

The Baltimore Oriole

2026 | USA | 110m | NR
Narrative

DIRECTOR Jay Duplass

WRITERS Jay Duplass, Michael Strassner

CAST Michael Strassner, Liz Larsen

Thu June 25 | 5:00 PM | Theater 3
Fri June 26 | 11:15 AM | Theater 2
Sat June 27 | 8:00 PM | Theater 3

This romantic comedy won the Audience Award at the South by Southwest Film Festival and follows a newly sober man whose Christmas Eve dental emergency leads to an unexpected romance with his older dentist as they explore Baltimore together.

LOVE NOTE Love can be unpredictable and unprecedented - even more special when it is unexpected. The willingness to let it grow organically and against the norm is a concept we can all learn from.

The Birdcage

MOVIES UNDER THE STARS

Presented by guest curator Erik Anderson, Founder and Editor-in-Chief, AwardsWatch

1996 | USA | 119m | R
Narrative

DIRECTOR Mike Nichols

WRITERS Elaine May

CAST Robin Williams, Gene Hackman, Nathan Lane

Thu June 26 | 8:45 PM | West Plaza Park

A gay cabaret owner and his drag queen partner agree to put up a false heterosexual front so that their son can introduce them to his fiancée's conservative parents.

LOVE NOTE Love finds itself in many forms. In family, in relationships, in homoerotic soup bowls. In Mike Nichols' *The Birdcage*, it's all of these and more. The deep connection Robin Williams and Nathan Lane have with each other and the audience makes this comedy sing. It's not the family that prays together, but the family that slays together that stays together. There is healing in humor and everyone can look fierce in the right wig. Birds of a feather, as the saying goes. - **Erik Anderson**

Come See Me in the Good Light

2025 | USA | 104m | NR
Documentary

DIRECTOR Ryan White

CAST Andrea Gibson, Megan Falley

Thu June 25 | 5:30 PM | Theater 1

Fri June 26 | 2:15 PM | Theater 3

Sat June 27 | 11:30 AM | Theater 1

Come See Me in The Good Light, a Best Documentary Feature Film nominee at this year's Academy Awards, is an intimate and joyful story of love in the face of loss. Celebrated poets Andrea Gibson and Megan Falley find strength—and unexpected hilarity—in what might be their final year together.

LOVE NOTE In adversity, the magnificence of love can shine more brightly, reaching beyond our own experience to people we will never know.

The Cycle of Love

FESTIVAL FINALE

2025 | UK, India, Sweden | 104m | NR
Documentary

DIRECTOR Orlando von Eisedel

CAST Sofia Vega, Noah Ashby, Marlene Cruz

Sun June 28 | 5:00 PM | Theaters 1, 2, 3

Sun June 28 | 7:45 PM | Theaters 1, 2, 3

The Cycle Of Love premiered at the Telluride Film Festival and is an extraordinary story about PK, a 23-year-old from an 'untouchable' Indian family, who set off on a 7000-mile cross continent-mission on a bike - to find Lotta, the woman who had captured his heart. A love story like no other, it's an inspiring and exhilarating adventure about the search for self-belief, and risking everything for what your heart tells you.

LOVE NOTE An epic love story that needs to be told even when the outcome is uncertain. Sometimes the telling of it can be amazing enough.

Finnegan's Foursome

2026 | Ireland, USA | 121m | R
Narrative

DIRECTOR Edward Burns

WRITERS Edward Burns

CAST Edward Burns, Brian d'Arcy James

Thu June 25 | 5:15 PM | Theater 2

Fri June 26 | 11:30 AM | Theater 1

Sat June 27 | 5:15 PM | Theater 2

Directly from the Tribeca Festival, *Finnegan's Foursome* follows two brothers (Brian d'Arcy James and Ed Burns) and their adult children as they journey to their ancestral homeland of Ireland to scatter their father's ashes at the places he cherished most. Their passion for golf, memory, and family ritual guide them toward forgiveness, connection, and a renewed sense of togetherness.

LOVE NOTE Messy and powerful, familial love fuels traditions that bond us together. Through the pressure of competition and a shared passion for a sport, love reminds us how the people we call our own make us who we are. Brothers, fathers, sisters, cousins.

Ky Nam Inn

2025 | Vietnam | 140m | PG-13
Narrative | In Vietnamese with English Subtitles

DIRECTOR Leon Lê

WRITERS Leon Lê, Nguyễn Thị Minh Ngọc

CAST Liên Bình Phát, Đỗ Thị Hải Yến

Thu June 25 | 11:00 AM | Theater 3

Sat June 27 | 8:30 PM | Theater 1

Sun June 28 | 2:00 PM | Theater 3

Set in 1985 post-war Vietnam, *Ky Nam Inn* follows Khang, who moves to Saigon after securing a position to translate "The Little Prince." Due to his family connections, Khang's life under the new regime is secure. But everything changes when he meets Ky Nam, a reserved older widow who lives in Khang's new community.

LOVE NOTE Is love different in other cultures? Love may be universal in its purest form but the cultures we live in can shape the way we express it. Accepting our limitations is a challenge and leads to lessons we keep on learning.

Magic Hour

2026 | USA | 80m | NR
Narrative

DIRECTOR Katie Aselton

WRITERS Katie Aselton, Mark Duplass

CAST Katie Aselton, Daveed Diggs

Thu June 25 | 8:00 PM | Theater 3

Fri June 26 | 8:15 PM | Theater 2

Sat June 27 | 2:30 PM | Theater 1

Magic Hour is the story of Erin and Charlie, and what happens to their big, beautiful love after its unexpected loss. Love goes nowhere even if someone else does. It stays present and pervasive, pressing even harder into every dark corner of your world until you nearly break into a thousand pieces.

LOVE NOTE A love so powerful you can't let go. How do we accept that fleeting moment of perfection when it is tested? True love lives on forever... doesn't it?

Moonstruck

OPENING NIGHT

1987 | USA | 102m | PG
Narrative

DIRECTOR Norman Jewison

WRITERS John Patrick Shanley

CAST Cher, Nicolas Cage

Wed June 24 | Foley Family Pavilion

Moonstruck follows 37-year-old Italian-American widow Loretta Castorini, who believes she is unlucky in love, and so accepts a marriage proposal from her boyfriend Johnny, even though she doesn't love him. When she meets his estranged younger brother Ronny, an emotional and passionate man, she finds herself drawn to him. She tries to resist, but Ronny, who blames his brother for the loss of his hand, has no scruples about aggressively pursuing her while Johnny is out of the country.

LOVE NOTE Love can strike at the most inopportune times. It can surprise us and change everything we thought was possible. Best to let it happen and ride the tide. The moon controls the tides, let's not forget.

My Old Ass

2024 | USA | 89m | R
Narrative

DIRECTOR Megan Park

WRITERS Megan Park

CAST Aubrey Plaza, Maisey Stella

Thu June 25 | 11:15 AM | Theater 2

Fri June 26 | 8:00 PM | Theater 3

Sun June 28 | 2:30 PM | Theater 1

Winner of Best Breakthrough Performance at the 2025 Film Independent Spirit Awards, *My Old Ass* follows free-spirited Elliott on her 18th birthday mushroom trip, which brings her face-to-face with her wisecracking 39-year-old self. But when Elliott's "old ass" starts handing out warnings about what her younger self should and shouldn't do, Elliott realizes she has to rethink everything about family, love, and what's becoming a transformative summer.

LOVE NOTE One of the films that inspired this festival, here is a story of a love stronger than time, fate, or reason. When it's this real, the only thing we can do is... accept it.

Next Life

2026 | USA, UK, Cypress | 112m | NR
Narrative

DIRECTOR Drake Doremus

WRITERS Drake Doremus

CAST Emilia Clarke, Edgar Ramirez, Jack Farthing

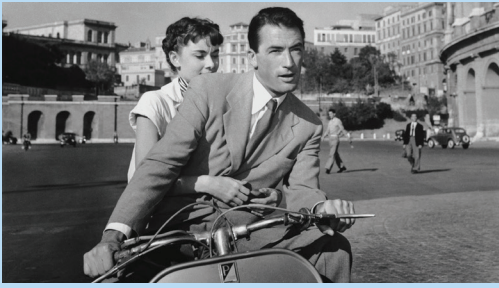

Thu June 25 | 8:15 PM | Theater 2

Fri June 26 | 11:00 AM | Theater 3

Sat June 27 | 5:30 PM | Theater 1

Next Life, which premiered at the Tribeca Festival, follows Ivy as she finds herself confronted with parallel universes in which her life unspools in very different ways, set against the modern London jazz scene.

LOVE NOTE What path do you take when it comes to falling in love? Follow your heart they say, but an open heart can be confusing and uncompromising. Is happiness the ultimate goal?

Roman Holiday

AMORE PER TUTTI

Presented by guest curator Allen Johnson, Senior Film
Writer, San Francisco Chronicle

1953 | USA | 119m | G

Narrative

DIRECTOR William Wyler

WRITERS John Dighton, Dalton Trumbo, Ian
McLellan Hunter

CAST Audrey Hepburn, Gregory Peck

Sat June 27 | Bacchus Landing

A bored and sheltered princess escapes her guardians and falls in love with an American newsman in Rome.

LOVE NOTE Sometimes the most memorable love is one in which a lifetime can be shared in a single day. *Roman Holiday* crystallizes in its purest form what many of my favorite William Wyler films, including *Dodsworth* and *The Best Years of Our Lives* explore: How foreign geography can both isolate and provide a moment of clarity, informing lives going forward.

- **Allen Johnson**

She Dances

2026 | USA | 93m | NR

Narrative

DIRECTOR Rick Gomez

WRITERS Rick Gomez, Steve Zahn

CAST Ethan Hawke, Steve Zahn, Audrey Zahn

Fri June 26 | 8:30 PM | Theater 1

Sun June 28 | 2:15 PM | Theater 2

A former hit at True West after its premiere last year at the Tribeca Festival, *She Dances* is centered around a father and his distant teenage daughter on a road-trip to a dance competition, confronting their shared grief over a family tragedy.

LOVE NOTE Is love enough to revive a family in crisis? You have to be willing to find it - especially when it seems impossible to remember. Breaking down the walls of loss and miscommunication is the beginning.

They Dream

2026 | USA | 89m | NR

Documentary

DIRECTOR William D. Caballero

WRITERS William D. Caballero, Elaine Del Valle, Brad Jones, Erin Ploss-Campoamor

CAST William D. Caballero

Thu June 25 | 2:15 PM | Theater 2

Sat June 27 | 2:00 PM | Theater 3

Sun June 28 | 11:30 AM | Theater 1

Winner of the NEXT Special Jury Award for Creative Expression at Sundance, *They Dream* chronicles the film's director and his mother's Puerto Rican family who, after 20 years, face devastating losses. Through tears and laughter, they craft animations that bring their loved ones back to life, discovering that every act of creation is also an act of letting go.

LOVE NOTE Love that accepts and inspires us to take care of those who shape our lives. Love that helps us put aside our preconceived needs and take care of others. Love informing survival, dedication, and devotion. This filmmaker teaches us with originality and artistry.

The Umbrellas of Cherbourg

MOVIES UNDER THE STARS

Presented by guest curator Sofia Englund, Director of Digital Strategy Food and Wine, Press Democrat

1964 | France | 93m | R

Narrative | In French with English Subtitles

DIRECTOR Jacques Demy

WRITERS Jacques Demy

CAST Catherine Deneuve, Nino Castelnuovo

Fri June 26 | 8:45 PM | West Plaza Park

Guy Foucher, a 20-year-old French auto mechanic, has fallen in love with 17-year-old Geneviève Emery, an employee in her widowed mother's chic but financially embattled umbrella shop. On the evening before Guy is to leave for a two-year tour of combat in Algeria, he and Geneviève make love. She becomes pregnant and must choose between waiting for Guy's return or accepting an offer of marriage from a wealthy diamond merchant.

LOVE NOTE Love can take many forms. In *The Umbrellas of Cherbourg*, it lives on in memory, in absence and longing, in the wound that time doesn't fully heal. It lingers in every vivid color, in every note of Michel Legrand's soaring score. Life may move on, yet something remains - dreamlike, luminous. And like all great films, *The Umbrellas of Cherbourg* makes us feel it.

But Miguel harbors a scandalous secret. He's in love with Santiago, a painter who is ostracized by the town because he's gay. This lauded film won the Audience Award at the Sundance Film Festival in 2010.

LOVE NOTE FROM Forbidden love cannot remain a secret for long. Everything you desire needs to come out and be witnessed. When we try to control love, it never works. Love grows in spite of our best intentions.

Convinced that her gift leads to rejection, she has given up on love, retreating into solitude and her work. That is, until she meets Oscar - a dead man who doesn't know he's dead...
